

Transportation & Parking Solutions- Update

Long-term Solutions Focused on Engagement, Culture

- Regular, two-way communication with Lab community
- Goal is making non-single occupancy vehicle commute options more attractive

Encouraging Ridesharing

- Launching [Scoop](#)- new rideshare partner- in early January
- Adding carpool spaces – 10 added in past year

Improving Shuttle Services

- New contract awarded- all-new fleet, GPS & bike racks on all vehicles
- Shuttle Sign Project- designed better communicate to Lab community
