September 2021

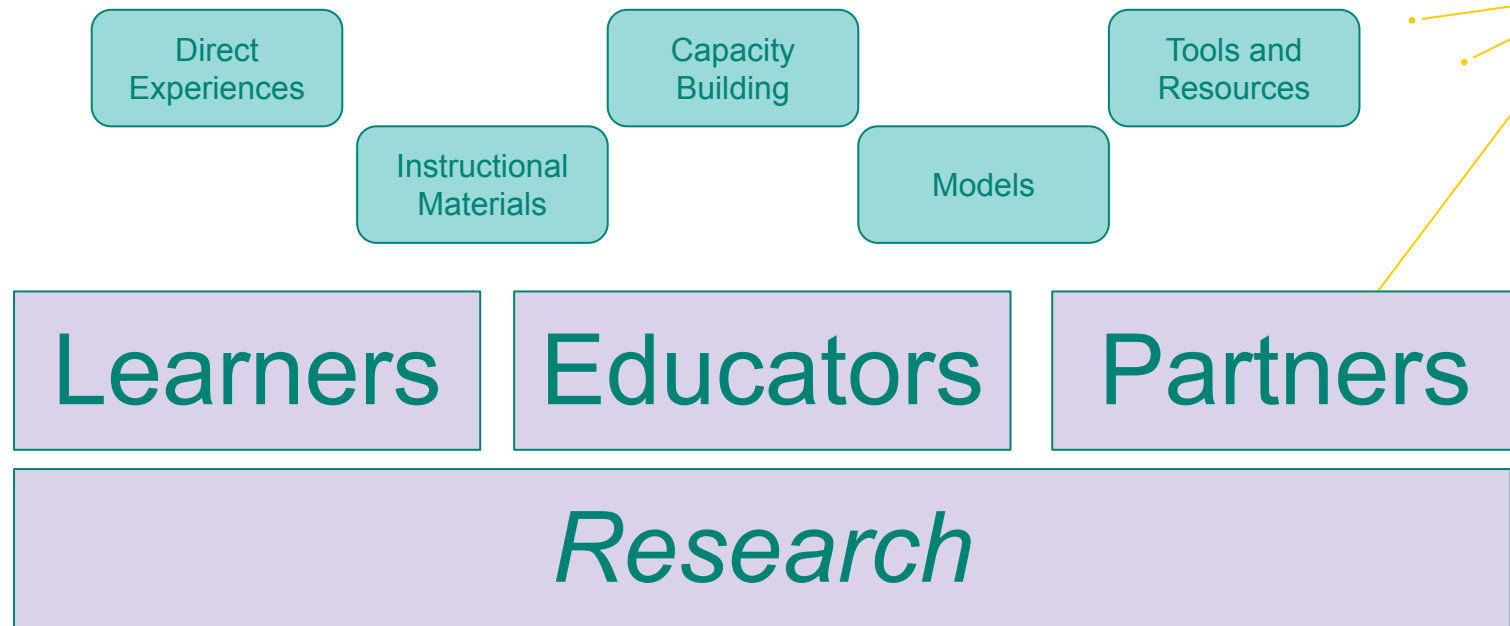

Our Mission

**Our mission is to inspire and engage
through science discovery and
learning in ways that advance equity
and opportunity.**

The Lawrence Hall of Science

How We Do It

The Lawrence Hall of Science

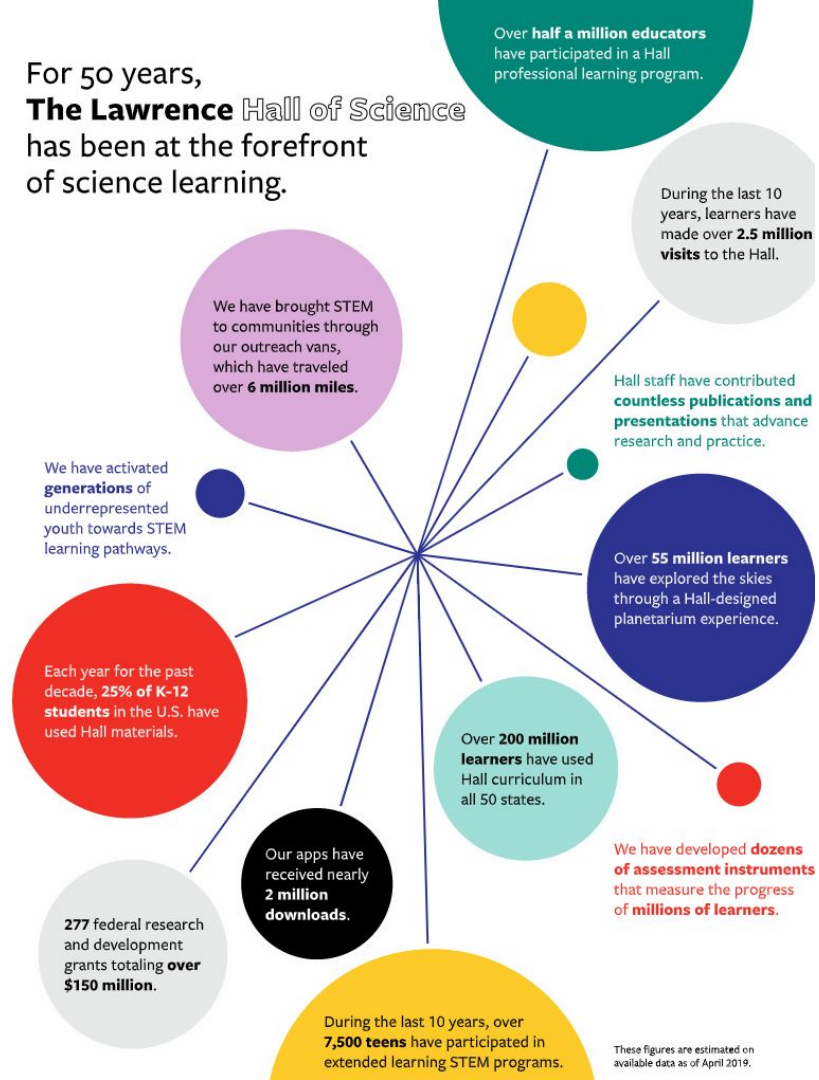

Our Strategic Priorities

The Lawrence Hall of Science

Impact at a Glance

For 50 years,
The Lawrence Hall of Science
has been at the forefront
of science learning.

Operational Highlights during COVID

- 2M+ students and 75K+ educators used virtual learning resources
- Overhaul of facilities including building a new outdoor nature learning lab
- Hands-on learning support for BUSD and community partners
- ~2,500 families and youth reached through in-person and virtual events on- and off-site in summer 2021
- Reopening indoors to the public in October 2021

The Lawrence Hall of Science

Coordination with Berkeley Lab

- Being a good neighbor--e.g. safety and transportation on the hill
- Berkeley Lab presence on Lawrence Advisory Council
- Lawrence staff participation in CAG
- Mexico City educator outreach
- Special events (Periodic Table event)
- Midday Science Cafe series with Science at Cal

The Lawrence Hall of Science

Examples of Broader Impact Projects

Secure Fog Robotics Using the Global Data Plane

Developing Youth Understanding of CyberSecurity

John Kubiawicz & Ken Goldberg

Musical Animated Series for 6-9 year olds

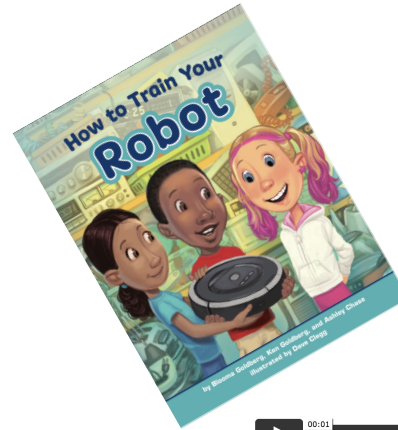

Scalable Collaborative Human-Robot Learning

Developing Youth Understanding of CyberSecurity

Ken Goldberg, et. al.

Children's Book and [Read-aloud Video](#)

How to Get Involved

- Visit!
 - Visit us in-person starting in late October
 - Sign up for camps or classes online
- Partner!
 - Co-develop research or resource
 - Invite us to a community event
- Support!
 - Annual benefit event in spring 2021
 - Many philanthropic opportunities, large and small! Build the nature lab, a new gender-neutral restroom, a state-of-the-art planetarium, or a hands-on Animal Discovery Zone
