

# LAWRENCE BERKELEY NATIONAL LABORATORY (LBNL)

---

## Community Advisory Group (CAG)

Monday, July 15, 2013

6:00 – 8:00 pm

North Berkeley Senior Center, 1901 Hearst Avenue, Berkeley, CA

### Meeting objectives:

- Update CAG members on activities related to the proposed Richmond Bay Campus.
- Provide update and respond to comments and questions on Lab design and construction projects.
- Receive update on management of the Lab's Tritium Plume; receive report on managing contamination at the former Bevatron site; and receive report on the Shively Well and Lennert Aquifer, in response to CAG member requests.

---
