

Current Transportation Program and Activities

Community Advisory Group (CAG)

April, 28 2010

Outline

- Transportation Services
- Bus Operations
- Taxi Service
- Zimride
- Guaranteed Ride Home
- Wageworks

Transportation Services

- Delivery of received supplies and material
 - Hill locations ~3 trips
 - Off-site locations – One trip
 - Campus, Oakland Scientific Center, Emeryville, West Berkeley, Richmond Warehouse, Walnut Creek
- Mostly “bread truck” delivery vans

Bus Operations

- Subcontracted bus operations – Jan 19, 2010
- Newer, quieter, attractive, more comfortable and more energy efficient (biodiesel)
 - WIFI
 - Nextbus
 - Bike racks
- Five routes
 - Three routes around lab
 - West Oakland operations. Vans used.
 - Rockridge BART
- 2,000 riders per day
- 34% of lab population use buses as part of their commute

Taxi Service

- Promotes alternate transportation usage
- In effect when buses do not run
 - After 7:30 pm
 - Weekends, Holidays
- Pickup and destination points are on existing bus routes

ZimRide

- Promotes alternate transportation usage
- Private web based ride matching service
- Connects car poolers
- 400 staff have already signed up
- LBNL for now but hope to include UC

Wageworks

- Promotes alternate transportation usage
- Pre tax incentive for BART, AC Transit, Amtrack
- 12% of staff use Wageworks

Guaranteed Ride Home

- Promotes alternate transportation usage
- Provided through the County
- 6 trips per year allowed
