FFATA

- **Federally-Funded Accountability & Transparency Act**
- **Similar to ARRA subcontract reporting**
- **Responsibility of the Prime Awardee to report to FFATA**

When does FFATA Apply

- **Type 1 (new) and Type 2 (renewal) awards made after 10/1/2010.**
- **If we are prime awardee - Implementation for reporting rests with Procurement at time of subaward.**
 - **Contact John Speros until the process is automated.**
- **If we are the subaward, and you are asked for information, contact OSPIP.**
 - **Some information does not apply to LBNL and we are not required to provide it.**
 - **Sometimes FFATA does not apply to the award and we are being asked for information incorrectly**

When does FFATA **NOT** Apply

- **Type 5 (non-competing continuation) awards – not required.**
 - **But the Notice of Award contains language that FFATA might apply.**
- **Between LBNL and other UC campuses (whether we are prime or sub)**
 - **UCOP has determined that for the purpose of FFATA, a subcontract to another UC campus is not a subcontract to another organization and therefore does not trigger the reporting requirement**
