1

Funding Opportunities go Dead

- Institutes are continually evaluating and updating funding opportunities.
- Sometimes FOA expires earlier than previously announced.
- Always check to make sure you have a current FOA.

3

 **eRA Commons Information**

- **NIH will use eRA Commons information to communicate with Applicants and Applicant Organizations**
NOT-OD-12-108

In order to avoid delays in the e-notification process, it is vital that all Grantee Organizations, Principal Investigators and Individual Fellows are registered in the eRA Commons and all email addresses are checked periodically for accuracy.

4

 **Administrative Supplements**

- **More information about Administrative Supplements**
NOT-OD-12-117

Provision: Effective immediately, supplements to any award with direct cost or total cost limits (e.g., R15, R03, R21, R00) may provide support above the established limits for the parent grant award, unless such limits are established by law.
