# Production Issues Resolved

- **SF424 error in FP view 9.a:** Since the SF 424 upgrade in production, some proposals were giving error in view 9.a where the user was required to enter the period of performance and select budget type ( modular or sf424).

Could not update the Funding Proposal due to one or more errors:  
 Validation Failed: executeGlobalInitializers(): error executing global initializer [FundingProposal.setCoverLetterOptionFormOnSF424]: ClickCommerce.Extranet.SF424.ScriptMethods.reflectedInvokeMethod: Object reference not set to an instance of an object.

## 9.A DOD Period of Performance and Budgets

9.a

\* Date Project Starts:   Date Project Ends:   Project Length:  Years

Period #	Duration, months	Period Name	Start	End
1	<input type="text" value="12"/>	<input type="text" value="Period 1"/>	9/1/2013	8/31/2014
2	<input type="text" value="12"/>	<input type="text" value="Period 2"/>	9/1/2014	8/31/2015
3	<input type="text" value="12"/>	<input type="text" value="Period 3"/>	9/1/2015	8/31/2016
4	<input type="text" value="12"/>	<input type="text" value="Period 4"/>	9/1/2016	8/31/2017
5	<input type="text" value="12"/>	<input type="text" value="Period 5"/>	9/1/2017	8/31/2018

9.b

\* Select the type of Budget Format:  
 SF424 Research & Related Budget

9.c

Date Response Expected From Sponsor (estimated):

9.d

Indirect Cost Rate Agreement Date:

Enter the Project Start date and the duration for each budget period. Do **NOT** accept the default start date.

The project end date and budget period end dates will auto-calculate.

To remove a project period, click the "Delete" button.

To add a budget period, please use the "Add" button.

Once you have chosen a type of Budget Format, 9.2 will be available for you to enter the budget information. They are the SF424 or Modular Budgets that will be submitted.

Enter the date of the Revision of the Forward Pricing Rate Agreement used for preparation of the budget. For example, FY 2012 Forward Pricing Rates - Revision was dated 5/24/12

# Production Issues Resolved

---

- Budget data in the PIF and DOE tab is jumbled up between period.
- Other miscellaneous minor changes based on user feedback / bugs (included in announcement email sent out on 11/26/2012)

## Coming Next – Winter / Spring

---

- **Federal (Non Grants.gov) paper**
- **Non-Federal / Federal Flow Through**
- **UCOP Reporting**
- **Other Custom / Ad Hoc reporting**
