

The American Recovery and Revitalization Act (ARRA) has been fully enacted. LBNL, along with other DOE National Laboratories, and Universities will be called upon to contribute our scientific expertise and success in the research endeavor to help stimulate the economy.

OSPIP has already received notification of proposed research to be funded by ARRA. In order to capture whether a proposal (and the subsequent award) will be funded under ARRA, OSPIP has had a flag placed on the Proposal Header in each line of business (OSPIP Mechanisms). This flag can also be viewed on the Award Profile. The ARRA Stimulus FLAG can be used to identify awards with ARRA Stimulus funding.

RAPID/Proposal Header: ARRA Stimulus Flag

2.	<p>What happens if the <input type="checkbox"/>ARRA Stimulus Flag is not set in the proposal and the award is generated?</p> <p>The OSPIP CO can go back to the original proposal header. The <input type="checkbox"/>ARRA Stimulus Flag can be updated in the proposal record and saved. The Award Profile view is now updated to correctly reflect the ARRA Stimulus status. After the award is generated, only the OSPIP CO can update the <input type="checkbox"/>ARRA Stimulus Flag.</p>
