**Subject:** Delegation of Authority to Execute DOE Standard Work for Others Agreements with Non-Federal Sponsors, Contract DE-AC02-05CH11231, Clause H.3 *Work for Others Program (Non-DOE Funded Work)*

Dear Mr. Weiner:

This letter provides a renewal of DOE's previous delegation to the Laboratory to negotiate and execute the terms and conditions that will govern the performance of a specific Work for Others project with non-federal entities. Such terms and conditions must be consistent with the terms, conditions, and requirements of the above cited contract. The Laboratory may use DOE approved contract terms and conditions as delineated in DOE Manual 481.1-1A or terms and conditions previously approved by the Contracting Officer for agreements with non-Federal entities. The Laboratory must not hold itself out as representing DOE when negotiating the proposed Work for Others agreement.

This delegation is valid for the duration of the above cited contract, unless sooner revoked in writing.

Should you have any questions concerning this delegation please contact me at (510) 486-5184.

Sincerely,

A handwritten signature in black ink that reads "Charles W. Marshall".

Charles W. Marshall  
Contracting Officer
