**Division Approvals**  
The Division Director is responsible for evaluating and approving this proposal prior to the submission to the Office of Sponsored Projects and Industry Partnerships. The following is the basic consideration and commitment given a proposal in the review include:

- Determining project appropriateness to LBNL and DOE;
- Evaluating the technical merits of the proposal;
- Considering the possible deflection of key personnel from LBNL's primary research programs;
- Determining requirements for and availability of space, support, and equipment;
- Ensuring compliance with LBNL, DOE and University policy;
- Evaluating the proposal in light of any Conflict of Interest declaration;
- Assuring the safety of personnel and protection of the environment.
