

Special Event Fidelity's Quarterly Market Update

Friday, August 5, 2011

12:00pm to 1:00pm

Building 50 Auditorium

This presentation will give you a comprehensive perspective on the financial market conditions, including an in-depth review of where and why the market has moved in a particular direction and what has been driving the global economy as well as the domestic and international equity and bond markets.

Attendees are encouraged to pre-enroll by calling (800) 642-7131 but registration is NOT required to attend.
