Work Authorization

How is your work authorized?

Line Management Authorization

- Authorizes everyday work, i.e., the baseline hazards of your work
- Given by your Supervisor/Work Lead
- Includes your JHA or task based JHA (e.g., Work Order)
- Requires Work Lead and Worker agreement & signature

Formal Authorization

- Authorizes high hazard work such as:
 - AHD for lasers
 - RWA for radiological material
 - BUA for biological material
- Given by your Division Management
- Requires EH&S or Committee Review

For additional information contact the JHA team at JHA@lbl.gov
