

How to request an Ergo Evaluation

An Ergo Evaluation can be requested by anyone for one of the following reasons:

- *The person is experiencing physical signs or symptoms (discomfort)*
- *The person has concerns about general ergonomics issues (preventive)*

Steps:

- Go to LBL Home Page >> A-Z Index
- Search “Ergonomics Evaluation Request”
- Enter LDAP user name and password
- Select “Request My Evaluation” if it’s for yourself or “Request Evaluation” if the eval is for another person
- Select the “Reason for Evaluation” ... *Discomfort or Preventive*
- Once the request is submitted, the employee will be contacted
