# LOTO: Lock Out Tag Out

- A **RED** lock with a **DANGER DO NOT OPERATE** tag indicates that someone is working on equipment and can be hurt if energy is released.
- If you are working in an area where a LOTO is in effect, you are considered to be an **Affected Employee**. Make sure you understand the reason for the LOTO and how it might affect you
- **NEVER** attempt to operate any equipment that has been locked or tagged.
- Other locks and tags may be used for other purposes such as equipment security or configuration management.
- **RED** locks may not be used for any purpose other than LOTO
