# **New Safety Policy for Non-Construction Subcontractors, Vendors and Guests**

- **Every worker must have a current Work Authorization resulting from a job hazards analysis process or be directly supervised.**
- **This requirement applies to Non-Construction Subcontractors, Vendors, and Guests performing hands-on work at LBNL facilities.**
- **The policy is documented in Chapter 31 "Non-Construction Safety Assurance for Subcontractors, Vendors, and Guests at LBNL Facilities" and will become Lab policy January 1, 2009.**

**For more information contact Bill Wells x6325**
