WORKPLACE GIVING

WHY GIVE?

Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

WHY GIVE THROUGH PAYROLL DEDUCTION?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

WHY ARE THERE ADMINISTRATIVE FEES?

All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.

COMMUNITY HEALTH CHARITIES OF CALIFORNIA

(925) 849-4434
Charity Code: 099

Community Health Charities of California (CHCC) is the largest organization in the country raising money to specifically fund health charities. We support over 50 health charities fighting life-threatening illness and disease while improving the quality of life for patients and families. These charities provide patient services, education and research. Contributions assist work with hospice programs, Alzheimer's, cancer, AIDS, Parkinson's, multiple sclerosis, cystic fibrosis, and others.

- **Choice:** You can donate to any CHCC member charity or select any tax-exempt 501(c)3 group.
- **Community:** Your donations go to the nearest local branch of your charity, and goes to work in your community.
- **Convenience:** Payroll deduction is easy for you and continues to send your support to your selected charity year round.

The need is urgent. 125 million Americans face life-threatening health conditions, disability or chronic disease. One in four adults provide care for a chronically ill relative or friend. CHCC partners with your workplace to provide all employees the opportunity and convenience of donating through payroll deduction to the charity of your choice.

Charity Code: 100

Mission Statement — We lead the Bay Area Black Community and our partners in a unified effort to build financial resources that improve individual and institutional capacity.

BABUF's Guiding Principles

BABUF invests in a set of community assets that create pathways of opportunity regardless of religion, nationality, gender, sexual orientation or economic status that facilitate the advancement of the "self" in the built environment.

BABUF is an advocate for solutions that foster the development of programs and services that lead to community empowerment.

BABUF is the hub that utilizes research and data to change community deficits to assets.

BABUF is a focused funder that directs our donors' investment in a collaborative and responsible manner to ensure an impact towards measurable outcomes.

The Bay Area Black United Fund has been supporting African Americans and other communities-of-color through employee donations since 1979. Through the contributions of workplace campaigns, BABUF supports programs committed to reducing the violence among youth, strengthening families, developing our children and caring for our seniors. By raising money for communitybased organizations, BABUF reduces the threat of hardship for these organizations due to financial challenges. Your dollars can make a real difference to many people throughout the Bay Area.

BABUF recognizes that dreams without resources remain only dreams. Whether you give \$5, \$10, \$15 or more, you are the link that creates change. We hope that you will partner with us to make a healthier and more productive community a reality by supporting BABUF and its 50 member agencies. EIN#94-2602958

UNITED WAY OF THE BAY AREA

(415) 808-4300

Real People. Real Results.

In the Bay Area, we aren't willing to sit on the sidelines and watch our community struggle. That's why United Way is not only creating change through our five core programs, we're harnessing the power of nonprofits, government, corporations, and thousands of individuals like you. Our movement to cut Bay Area poverty in half by 2020 is delivering real results and transforming lives.

We're on the front lines, our five core programs deliver real results:

SparkPoint Centers provide one-stop community access to a full range of services. One-on-one financial coaching helps people secure good jobs, get out of debt, and achieve financial stability. We've helped 4,500 people move toward financial stability in the last year.

Community Schools transforms public schools into community "hubs," providing families with services such as food pantries, health care, and after-school programs. This allows children to focus on school instead of basic needs, leading to higher academic achievement. We plan to expand our sites from seven to 200 by 2020.

The 211 helpline received 185,000 calls and connected Bay Area residents to food, shelter, health care, and other vital services last year. Instead of multiple calls leading to dead ends, 211 callers reach a trained specialist who assesses their full scope of needs and matches them to the right services.

Earn It! Keep It! Save It! (EKS) provided free tax preparation to 63,000 low-income households this year, bringing \$68 million in refunds back into our local economy. We ensure low-wage workers get the tax credits they are entitled to which can amount to more than \$5,000 - a significant boost to a struggling family.

MatchBridge prepares urban youth for the workplace and places them in jobs and internships. MatchBridge members receive professional development, career counseling, and access to job opportunities. This year, we are placing 5,000 youth in jobs and internships. Working increases their ability to be financially secure as adults.
